

WARMING
HEARTS
NZ TRUST

CC54613

CAN YOU HELP US TO WARM LITTLE HEARTS?

*We collect pre-loved and new baby clothing and bedding essentials in **cotton, wool or merino**, from prem to 6 months and create bundles of warmth for babies in need. Midwives distribute the bundles directly to newborns within our community.*

How can I help?

Organise a collection within your kindergarten, daycare, mothers' group or workplace and nominate volunteers to deliver items to our Albany Warehouse. Simple!
